

**Władysław Szafer Primary School
No 4, Elk, Poland**

European Mobility Week

The activities took place from 16th to 22nd September. Pupils from pre-school classes and 1-3 grades were engaged .

460 pupils collected 4653 green footprints.

**Look around. What can you find
during your trip to school ?**

We introduced a new project – breaks on the fresh air. Earlier pupils spent their breakes on school's corridors.

Literacy improving activities
– My weekend trip adventure –
comic strips

Healthy food – project
- a glass of fresh juice made by pupils once a month at school

Healthy food project – the idea for a healthy breakfast with heroes from books for youngers

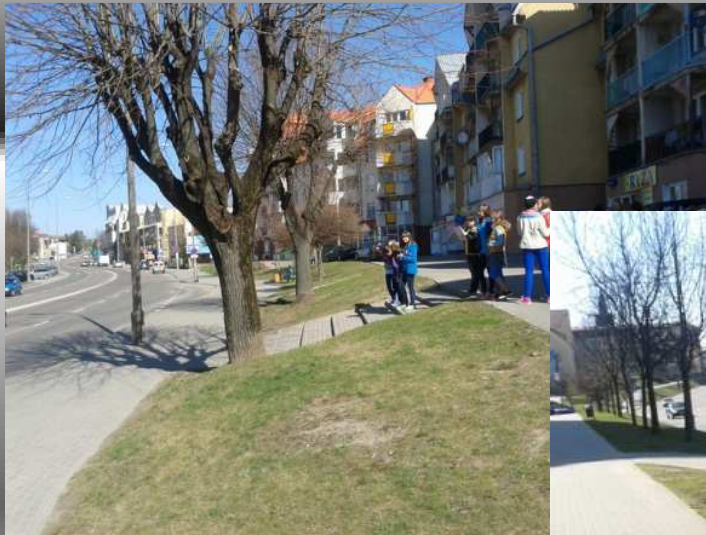

Individual resolutions :
What can I do for the environment?"
Let's meet in 2022

Our meal is healthy and colourful

Developing the healthy habits in pre-school classes

Safe on the roads

How heavy is the traffic in our town?-

Spare electricity project

Labels made by pupils which call to mind that it is necessary to spare electricity and save the unrenewable energy sources

The end

Thank you for your attention
