SOME STATEMENTS FROM PRIMARY SCHOOL CHILDREN AT PARTICIPATING SCHOOLS IN EUROPE

From a Primary School in Novopolotsk (Belarus)

We should all avoid packaging waste, dry our clothes in the sun and not in an electric dryer, use energy saving lamps and recycle used paper!

From Amandusschule Papenburg (Germany)

"I wish to have less plastic waste, more electric cars and cycle paths and footpaths on every road." (Mara, 1st grade)

From Ludwig-Uhland-Schule Blaustein (Germany)

"Dear politicians, I hope that there will be less coal-fired power stations and less CO₂ in the air. Greetings " (Mia, 9 years old)

From a school in Karposh (Macedonia)

I want to live in a town, with a lot of trees. I don't need a car with radio and air condition. I can go by foot in summer and winter.

From Evang. Luth. Paulus Kindertagesstätte Rappstraße Osnabrück (Germany)

"I want children to watch less television. They should play outside. Or else you need too much electricity." (Georg, 6 years old)

SOME STATEMENTS OF PARTICIPATING INSTITUTIONS IN EUROPE

From a primary school in Ełk (Poland)

The pupils encouraged their parents and many other citizens of the community to take care of a sustainable and climate-friendly lifestyle.

From Mittelkanalschule Papenburg (Germany)

"During our green footprint week, we discovered beautiful things and made friends. It was a lot of fun." (Lina, 2nd grade)

From VS Gleisdorf (Austria)

"The kids take this [climate issue] very seriously. The [sticker] poster was motivating and has a lasting effect because it remains in the classroom." (teacher)

From a school in Piacenza (Italia)

The municipality would like to take part in the ZOOM Climate Mile Campaign again next year so that the habits of children and their families can be sustainably influenced and a more climate-friendly lifestyle be promoted.

Climate Alliance

From a school in the Netherlands

This year we have given a lot of attention to the Sustainable Development Goals. All lessons are referred to one of the SDGs.
